

Local Action Moves the World

**Local Government Partnerships Meeting
July 20, 2010 San Ramon**

Mission

Our mission is to build, serve and drive a movement of local governments to advance deep reductions in greenhouse gas emissions and achieve tangible improvements in local sustainability.

ICLEI - A Worldwide Movement of Local Governments

12 Offices

68 Countries

6 Continents (over 1000 members)

- Climate Change Mitigation
- Climate Adaptation / Resilience
- Sustainability Performance

How do municipalities benefit from working with ICLEI?

- National and international network of peers
- Emissions analysis software and decision support tool
- Standard methodology and technical assistance
- ICLEI trainings and events
- Technical, policy, and communications assistance
- Framework for approaching climate protection
- Tools and resources (publications)
- State Networks and other networking opportunities

The Five Milestone Process

Statewide Energy Efficiency Collaborative (SEEC)

Statewide Energy Efficiency Collaborative (SEEC)

ICLEI is developing a suite of guidance for local governments at all levels to:

- Develop greenhouse gas emission inventories,
- Establish emissions reductions targets,
- Develop climate action plans and take steps to reduce energy consumption.

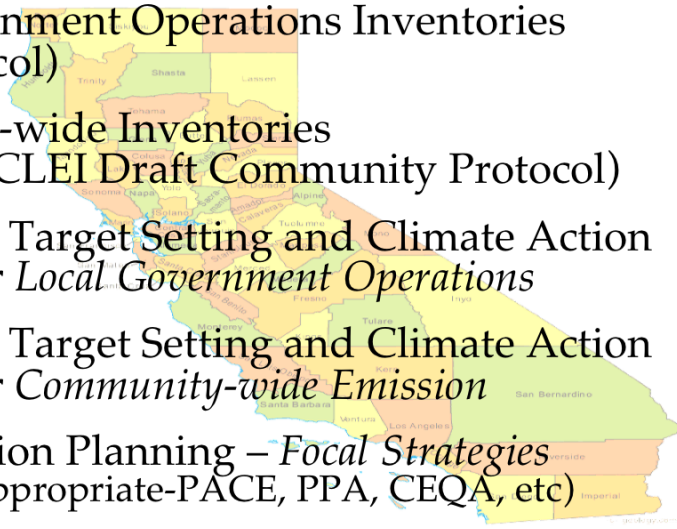

Statewide Energy Efficiency Collaborative (SEEC)

Program Management,
Distribution Plan and Marketing

- Web Portal Sept 2010
- Contact Database July 2010
- Marketing Ongoing

Training Strategy-Content Modules

- Local Government Operations Inventories (LGO Protocol)
- Community-wide Inventories (IEAP and ICLEI Draft Community Protocol)
- Forecasting, Target Setting and Climate Action Planning for *Local Government Operations*
- Forecasting, Target Setting and Climate Action Planning for *Community-wide Emission*
- Climate Action Planning – *Focal Strategies* (Regionally appropriate-PACE, PPA, CEQA, etc)

Training Strategy-Regions

- Border (San Diego and Imperial Counties)—San Diego
- South Coast (Orange County and South Los Angeles County)
- Los Angeles County North
- Inland Empire (San Bernadino and Riverside Counties)
- Central Coast (Ventura, Santa Barbara, and San Luis Obispo Counties)
- Monterey Bay Area (Monterrey, Santa Cruz, and San Benito Counties)
- San Joaquin Valley and Mountain (multiple Counties)
- Sacramento Area and Mountain (SACOG Counties + adjacent mountain Counties)
- San Francisco Bay Area (ABAG Counties)
- North state (multiple Counties)

Training Strategy-Frequency

- Each region will have access to two field trainings per year
- Four of the five modules delivered as regionally appropriate
- In total, **40 field trainings** and **25 webinars** over the course of the statewide project

Visit the ICLEI Website: www.icleiusa.org

The screenshot shows the ICLEI website homepage. At the top, there is a navigation bar with links for "ICLEI Worldwide", "FAQ", "Newsletter", and "Press Room". The main header features the ICLEI logo and the tagline "Local Action Moves the World". Below the header is a navigation menu with "About ICLEI", "Programs", "Action Center", "Success Stories", "News & Events", and "Login". The main content area includes a large banner for "ICLEI-Local Governments for Sustainability USA" with a description and a "Join ICLEI" button. Below the banner are two featured articles: "Stimulus Funding Update" and "Start a Climate Conversation". On the right side, there is a "Member Login" section with fields for "User Name" and "Password", and a "View Our Members" section with a small image of a green house.
