

For more information about how you can make difference, save money and save electricity, call [INSERT PHONE NUMBER] and your local parks and recreation community center at [INSERT PHONE NUMBER]

- **Avoid** using major appliances during peak energy use hours, especially afternoon and evening.
- **Turn off** all lights when you leave the room.
- **Turn off** the computer and printer when not in use.
- **Have a BBQ** instead of using your oven.
- When you leave for a weekend, turn your **electric water heater** off.
- **Avoid** doing your laundry until later at night and wash large loads.
- Use your dryer's **automatic dry cycle** rather than a timed cycle and clean the lint screen with every use.
- Visit to your local community **swimming pool**.
- **Turn up** your air conditioner and find a shady spot in your own backyard to relax.

You are making a difference right now choosing to eat out instead of heating up your home by using the oven. Here are other simple and easy tips that you, your family and friends can do to save money and electricity for California
