Five Nonprofits have been working together with the Local Government Commission as part of the Community Foundation Water Initiative to equitably integrate water management and land use decision making through their organizations. Leveraging what has been learned through COVID-19 response, the briefing will cover the role that coordinated planning plays in public engagement efforts.

The need for coordination of meaningful public engagement is more important than ever. This is especially true where water and land use decisions are concerned amidst racial injustice and concerns over public health, access to natural resources, economic resilience, and much more.

Additional support can be found at: https://support.zoom.us/

If you have never used Zoom before, you can join a test meeting to familiarize yourself. We highly recommend all registrants log on to the call a few minutes before it starts, as heavy user traffic on the hour causes Zoom to slow down. This will also allow time to figure out your audio/video logistics and settle in.

1. Register at: https://lgc.zoom.us/meeting/register/tJwocu-vrzMuE9JCpkd00mTcwK6F4ihJtp
2. Join, using the link: https://lgc.zoom.us/j/98556718496
3. If available, turn on your video camera
4. Choose your audio source:
   a. Either - Computer/Internet audio
   b. OR - Dial in on phone
      i. If you are choosing to use your phone as your audio for the workshop:
         1. Dial your local phone number from below. If you get a busy signal, try one of the alternative numbers:
            +1 669 900 6833 US (San Jose)
            +1 346 248 7799 US (Houston)
            +1 312 626 6799 US (Chicago)
            +1 929 205 6099 US (New York)
            +1 253 215 8782 US
