- Nature For All's Spanish Curriculum
- Dick & Rick: A Visual Primer for Social Impact Design
- Emergent Strategy by Adrienne Maree Brown

Case Studies & Programs
Community Water Center - Agua Coalition
AGUA is a regional, grassroots coalition of impacted community residents and allied non-profit organizations dedicated to securing safe, clean, and affordable drinking water for the San Joaquin Valley.

LA County - WHAM
Opportunities to coordinate among 4 measures: W-H-A-M. Measure W, approved in November 2018, will raise nearly $300 million each year beginning next year for storm water projects. Measure H, approved in March 2017, raises approximately $355 million each year for homelessness services and housing. Measure A, approved in November 2016, provides approximately $100 million annually for new parks and park improvements. Measure M, approved in November 2016, raises about $860 million annually for transportation infrastructure.

Fresno Civic Documenters Program
FresnoBee Article - Training citizen journalists to attend and document meetings throughout the region and report back through an online portal.
Documenters Concept
